

This is the 15th year that the Vallejo Outreach has collaborated with the community to provide a day filled with awesome activities including:

- Health Fair
- Job Fair
- Academic Fair –scholarships available
- Air Park – inflatable rides for the kids
- Music and Entertainment
- Free lunch for all
- Tons of groceries
- Lots of giveaways and gifts

For the Vallejo Outreach to surpass our expectations, hundreds of volunteers and community partners need to stand up and get “Hooked on Helping” our neighbors and friends in this time of economic challenge.
